- survival

Things to think about and discuss

Questions for a child

- What would be the scariest part of being stranded in Minecraft?
- How does the character use creativity to survive?
- What lessons does the story teach about resilience and problem-solving?
- If you were in the Minecraft world, what would you build first to stay safe?

Child's questions for parents/guardians

- If you were in Minecraft, what's the first thing you would craft?
